It is always my privilege to attend school and community events to celebrate the achievements and milestones of our young people.

There is no greater celebration than the Annual Awards night. The 2019 journey has been a fulfilling one. It is interesting to reflect on the year that has been and I include some of my Principal Address here for your musing.

The year started, stopped and started again in response to weather conditions which proved challenging beyond belief. Flooding disrupted not only Ingham but extended way beyond historical recollections and caused major and unpredicted disruptions to schools across our Region.

After several days’ closure and continual negotiations with bus transport providers, we all got on track and were back in business in Week 4.

Rescheduling events was a hassle, however our decision to move Student Leadership Induction to Week 8 Term 4 in 2018 proved to be one of the best ever made. Our Ingham State High School leaders were planned and primed to accept their responsibility, to not only the Ingham Community, but also those of our neighbours. Project ‘Buy a Bucket’ was a resounding success in response to providing support for those more disadvantaged than us. The initiative also recognised we have empathy for any community at the mercy of acts of natural disaster. It was at this point I recognised I was surrounded by an exceptional group of young people and I congratulate our senior leadership team led by Captains Carly and Trent. Staff and community agents also ensured our young people had the support to step up to the mark. In addition to the buckets, our students compiled a book of messages to uplift the spirits of students in schools compromised by weather damage.

Thank you to all who were involved in both projects.

The sense of community and making a difference to the wellbeing of others continued across the year as we workshopped with HeadSpace, wore Funky Socks, supported the National Day of Action against Bullying and Violence, walked the Relay for Life, prepared to party safely, wore yellow, asked RU OK and shaved heads for a cure.

Ingham High’s partnership with the national Beacon Foundation has continued to strengthen. Year 10 students once again commenced their journey with a commitment to further education and training at the Beacon Charter Signing event.

Science, Technology, Engineering, Arts and Maths collectively form the STEAM priority focus. Through partnerships with James Cook University, industry and community groups, Global Tropic Futures (GTF), STEAM Team and the INN Maker Space initiatives, student engagement is enhanced in all STEAM areas. Whilst no more important than other curriculum areas, research does indicate these are the growth areas for future employment. Involvement in activities requiring students to think, create and communicate supports success.

My STAR for the evening was the celebration of achievement and public recognition of exceptional student effort and participation.

On behalf of the Ingham High Community, we thank you for your support throughout 2019 and our whole team joins in wishing you a Merry Christmas and a Happy and Prosperous New Year.

COMMENCEMENT DATE FOR 2020: TUESDAY 28 JANUARY
(School resumes for All Year Levels)

The General Office will reopen at 8:00 am on Monday 20 January 2020
* Please note the General Office will be closed from 8:45 am to 11:15 am on Wednesday 22 January for mandatory staff training

INGHAM STATE HIGH SCHOOL
21st Century Learning

Principal’s Message
Judith Fenoglio, Principal

It is always my privilege to attend school and community events to celebrate the achievements and milestones of our young people.

There is no greater celebration than the Annual Awards night. The 2019 journey has been a fulfilling one. It is interesting to reflect on the year that has been and I include some of my Principal Address here for your musing.

The year started, stopped and started again in response to weather conditions which proved challenging beyond belief. Flooding disrupted not only Ingham but extended way beyond historical recollections and caused major and unpredicted disruptions to schools across our Region.

After several days’ closure and continual negotiations with bus transport providers, we all got on track and were back in business in Week 4.

Rescheduling events was a hassle, however our decision to move Student Leadership Induction to Week 8 Term 4 in 2018 proved to be one of the best ever made. Our Ingham State High School leaders were planned and primed to accept their responsibility, to not only the Ingham Community, but also those of our neighbours. Project ‘Buy a Bucket’ was a resounding success in response to providing support for those more disadvantaged than us. The initiative also recognised we have empathy for any community at the mercy of acts of natural disaster. It was at this point I recognised I was surrounded by an exceptional group of young people and I congratulate our senior leadership team led by Captains Carly and Trent. Staff and community agents also ensured our young people had the support to step up to the mark. In addition to the buckets, our students compiled a book of messages to uplift the spirits of students in schools compromised by weather damage.

Thank you to all who were involved in both projects.

The sense of community and making a difference to the wellbeing of others continued across the year as we workshopped with HeadSpace, wore Funky Socks, supported the National Day of Action against Bullying and Violence, walked the Relay for Life, prepared to party safely, wore yellow, asked RU OK and shaved heads for a cure.

Ingham High’s partnership with the national Beacon Foundation has continued to strengthen. Year 10 students once again commenced their journey with a commitment to further education and training at the Beacon Charter Signing event.

Science, Technology, Engineering, Arts and Maths collectively form the STEAM priority focus. Through partnerships with James Cook University, industry and community groups, Global Tropic Futures (GTF), STEAM Team and the INN Maker Space initiatives, student engagement is enhanced in all STEAM areas. Whilst no more important than other curriculum areas, research does indicate these are the growth areas for future employment. Involvement in activities requiring students to think, create and communicate supports success.

My STAR for the evening was the celebration of achievement and public recognition of exceptional student effort and participation.
Special Awards

AWARDS NIGHT 2019

Senior Secondary Scholar of the Year - Herber River District Canegrowers Mitre 10 Award: Luke Rotondo
Junior Secondary Scholar of the Year - Eva Grimsley Memorial Award: Paris Andersen
Sportswoman of the Year: Alissa Carey
Sportsman of the Year: Lachlan Buckman
Elite Sporting Achievement of the Year: Lachlan Buckman
Olympic Change-Maker Award: Jordan Di Bella, Kaci Newman
Champion Sporting House - Strid Shield: Palm
Best All-Rounder - Year 12 Caltex Award: Luke Rotondo
All-Rounder - Year 11 Jack Grinstead Award: Shae Phillips
All-Rounder - Year 10 EA Drevesen Memorial Award: Charlotte Erba
All-Rounder - Year 9 Jack Grinstead Award: Alissa Carey
All-Rounder - Year 8 Jack Grinstead Award: Lachlan Erba
All-Rounder - Year 7 Jack Grinstead Award: Ella Andersen
Outstanding Citizenship Year 12 JW Steine Memorial Award: Trent Altadonna
Outstanding Citizenship Year 11 Herbert River Trophy Centre Award: Veronica Lawlor
Outstanding Citizenship Year 10: Jessica Dickson, Kannika Plakhan
Outstanding Citizenship Year 9: Rhys Woods
Outstanding Citizenship Year 8: Jack Nash
ADF Long Tan Leadership & Teamwork Award Year 10: Emma Carlson
ADF Long Tan Leadership & Teamwork Award Year 12: Trent Altadonna
QATSIF Young Indigenous Leader Award: Jason Burns
Student Leadership - Year 12 Nathan Stray Memorial Award: Trent Altadonna
Environment - Year 12 Richard Patterson Maskell Memorial Award: Kaci Newman
Enthusiasm for Life - Year 10, 11, 12 David Hansen-Gaut Memorial Award: Trent Altadonna
Team Player - Jodi Hart Memorial Award: Kaci Newman
Cultural Achievement of the Year - Senior Ingham Arts Festival Award: Morgan James
Cultural Achievement of the Year - Junior Ingham Arts Festival Award: Charlotte Whittington
CQUniversity SUN Bursary Award: Christy Robino
Business Student of the Year: Hayley Casale
TAFE at School Award: Jett Rapetti
JCU Academic Encouragement Award Year 10: Rhiannon Harragon, Keely Clemments
Industrial Technology Student of the Year: Thomas Grossi
School-Based Trainee of the Year: Morgan James
School-Based Apprentice of the Year: Carly Isokangas
Senior Secondary Industry Award: Tyler Death, Kaci Newman
Junior Secondary Industry Award: Chayse Sellick, Callum Thompson
In Term 4, the school participated in a review by an external team from the School Improvement Unit. Together they worked with the school to provide some key recommendations on future direction. The final report is now at hand and will be used to develop clear actions to move the school forward. It is commonly recognised ‘Change is the only constant in life’ and so we need to plan and prepare to better manage and use inevitable change to our advantage.

The key findings include positive statements such as:

- a full inclusion approach and all students are supported to achieve success.
- a school-wide commitment to purposeful and successful learning.
- the learning needs of students are prioritised through targeted allocation of human and physical resources.
- a high priority is placed on attracting, retaining and developing an expert teaching team.
- teachers understand the importance of consistent teaching practices.
- opportunities exist for all students to access a variety of academic and vocational education programs.
- school leaders have led the development of a series of documents that form an explicit, coherent plan for curriculum delivery across the years of schooling and make clear what and when teachers should teach and students should learn.
- extensive and strong school-community partnerships exist across the school.

At Graduation this year, we farewelled the final group of students to complete Year 7 at primary school. We farewelled the 2019 Year 12 cohort in style. The Valedictory Ball was recently featured in The Townsville Bulletin. The students’ behaviour was exemplary over the alternate activities and graduation events. I am proud of the group departing as respectful, inclusive and compassionate people capable of active citizenship. Wishing our graduating class for 2019 all the best for their future I shared Mark Twain’s words, ‘Twenty years from now you will be more disappointed by the things you didn’t do, than by the things you did do’. On Friday morning the students attended their final assembly before being farewelled by the whole school. It was an emotional experience for not only the graduates but also parents and staff. My final words were to encourage each to cherish every aspect of their future and to use their humanity to make our world a better place.

My STAR following their graduation came when the data collection was finalised and indicated 100% Year 12 QCE/QCIA Attainment. This is not an accident but the result of excellent work occurring at this school. I would like to acknowledge all teaching and support staff for the work they do supporting successful outcomes. Special recognition is due to Deputy Principal Tamie Hay, supported by the team of Liz Provians and Yasman Scowcroft (Student Services) and Jewelann Kauppila (Inclusive Education).
As we farewell one cohort of students we welcome another. It was wonderful to have Year 6 students from our primary partner schools attend the Student Leadership Investiture. I was extremely proud to introduce the 2020 School Captains Rachel and Jordan, Vice Captains Jayde and Renee and Junior Secondary Captains Trista and Joe. I am confident they will be extraordinary ambassadors for our school and look forward to supporting the growth and development of their leadership skills. It is important to recognise the captains are supported by an Executive Student Leadership team. Both the Junior and Senior leadership nomination and selection processes are rigorous and all students who participated should be proud of their performance. I applaud all students for their desire to serve the school and the wider community and congratulate each for accepting the challenge. The leaders of 2020 need to understand that along with the privilege goes a huge responsibility to contribute to the future of this school, our community and to the future lives of their peers.

2020 will be an exciting and professionally rewarding year as we expand the focus to ensure our students are equipped for the 21st century. I repeatedly challenge students to ‘give us a tomorrow better than we deserve’. Aligning our pedagogical approach to support the development of critical and creative thinking skills, positions us at a pivotal point equipping our young people with skills for active citizenship.

Living in the tropics we are susceptible to weather events causing disruption to our routines, particularly at the start of the school year. Please refer to the flyer at the end of this newsletter for information and processes to follow.

I look forward to welcoming all students on Tuesday 28 January 2020. Monday 27 January is the Australia Day public holiday. Teachers and support staff will be onsite the week prior to make preparations for the year and participate in professional learning sessions. Should you require an opportunity to talk with a Deputy Principal or Head of Department, please make a prior appointment to ensure availability.

In the tradition of the festive season, I wish all a Merry Christmas and a Happy New Year. My final STAR consists of the wonderful experiences I have shared with our young people over the course of 2019, and my WISH is for all to stay safe over this holiday period.
Firstly, I offer my congratulations to our Year 10 students who participated in their Work Experience Block in Week 1 of this term. The feedback from employers, teachers and the students themselves has been excellent, and I am thrilled to hear of opportunities for part time employment and training that has resulted from this. Congratulations to all students – you have done yourselves, and our school, very proud.

I also offer congratulations to our Year 11 students who attended the Leadership Camp at Quinola Lakes in the first week of Term 4. I had the pleasure of visiting with the students and staff as they undertook a range of team building and leadership activities. I witnessed engaged, enthusiastic students brimming with leadership potential. Following this camp, our Year 11 students submitted applications to become Student Leaders for 2020, and through a process of interviews, speech presentations and staff and student vote, were selected. The Investiture Ceremony on Friday 29 November was a fitting celebration and recognition of the outstanding nominees who will lead our student body from next year. I offer my congratulations to all students who put their hand up to represent our school.

Work Experience and the Leadership Camp cannot happen without the efforts of our very dedicated staff. I particularly acknowledge and thank Mrs Jenny Lynn, Mrs Lynn Romano, Mrs Jewelann Kauppila and her Year 10 team, and Mr Julian Haddad and the Year 11 team for organising and overseeing these activities for our students.

In Week 7 I presented a session for Year 11 students and their parents/carers about what to expect in Year 12 in the new QCE system. The range of topics covered, included: timelines, external assessment, reporting of student results and QCE/ATAR eligibility. There will be further evenings occurring throughout 2020, designed at supporting our students and families to be fully informed and empowered to achieve success. In the meantime, I encourage families to visit the QCAA webpage specifically designed with information and materials about the new QCE system.

Our Year 12 students finished school on Friday 17 November, and to them I offer my heartfelt best wishes and congratulations for their academic achievements. For the fourth consecutive year, the Year 12 cohort at Ingham State High School graduates with 100% QCE and QCIA attainment. Well done – we are all so very proud of your achievements.

Lastly, I thank and congratulate the entire Ingham SHS community of students, staff and families for a wonderful year. I feel truly privileged to have been welcomed into this community in 2019 and am excited to see what 2020 has in store for us all. Have a very Merry Christmas, and a safe, relaxing summer break. I look forward to welcoming all of our students and staff back to school on Tuesday 28 January.
Year 8 Camp
Term 4 started on a high for the Year 8 students completing the Dalrymple Gap Walking Track in the Girringun National Park as part of their camp. Special thanks must go to the staff involved in making this camp a huge success and worthwhile experience for students. Mr Gunston took the lead in planning and organising the camp along with the support of Mr Bishop, Mrs Nash, Mrs Blackford, Mrs Craperi, Miss Casale and Mrs Kaurila, whilst Mrs Steele worked tirelessly keeping everyone fed and hydrated.

I wish to express a sincere thank you to the P & C for their financial support and thank all parents for supporting the reintroduction of the Year 8 camp and supplying tents, swags, hiking gear and more. It was great to see all parties working together to ensure a great experience for the students. Thank you all.

Junior Secondary Leaders for 2020
Following on from the Year 8 Camp, our Junior Secondary Leaders for 2020 were presented with their Badges of Office at the Investiture Ceremony on Friday 29 November. Well done to all students who put their hands up to nominate for a position and congratulations to those students who have been elected.

Junior Secondary Leaders for 2020 (L-R):
Lachlan Erba (Orpheus House Captain), Cody Barry (Fantome House Captain), Josep Bishop and Trista Kopeshke (Junior Secondary Captains), Janae Pearce (Palm House Captain) and Mali-Ann Morley (Hinchinbrook House Captain)

NAPLAN Online Readiness
During Week 1 of this term, Year 7 students were exposed to the new NAPLAN online platform as part of the School Readiness Test. Students were able to work through simulated NAPLAN questions as part of the preparation program for 2020.

This experience was a learning experience for staff and students as we learnt together how the online platform is managed and operated within the school. I am happy to report that NAPLAN Online will not be a hurdle for students, as the system was found to be user friendly and easy to navigate. Ingham High staff and students will be ready when NAPLAN rolls around again in May 2020.

Parents wanting to know more about the online platform are able to experience firsthand what the test looks like and attempt questions as part of the NAPLAN Public Demonstration Site.

https://www.nap.edu.au/online-assessment/public-demonstration-site

Year 6 Focus Day
As I write this newsletter article, I am reflecting on the final Year 6 Transition Day which was held recently. From staff comments and the enthusiasm shown by the students it was a wonderful experience and a great way to finalise preparations for our new 2020 students. Days such as this do not happen without lots of preparation and teamwork. Thank you to everyone who contributed to our Transition Program over the past year. We are very excited to welcome this wonderful new cohort into our school in the new year. Teacher Aide, Tiffany Chittenden is pictured measuring the height of Year 6 student, Liam Fascetti at the recent Transition Day.

Christmas Holidays
I am certain everyone is looking forward to a well-earned break over the Christmas holidays, to relax and spend time with family and friends but most importantly to be safe and be sensible. Thank you to all for your contributions throughout 2019 and I look forward to 2020 and the opportunities it brings.
Facilities Update
I would like to take this opportunity to showcase some of the great work that has taken place in and around Ingham High over the past 12 months.

We have our new drainage system completed throughout the centre of the school along with our new Inclusive Education drop-off/pick-up area which has been signed off and completed. We have new outdoor seating for both Junior and Senior school, the C Block classroom refurbishment has been completed and A Block General Office and administration upgrades are near completion. The A Block Arts Centre has had a facelift with new furniture, painting and stage curtains installed. The auditorium also has had new stage curtains and rails along with the state of the art wireless sound desk and all new sound equipment. G Block Art Room and F Block DAT has been refurbished with all new high desks and chairs and new workbenches are being finalised in the engineering workspaces. Also a brand new light was installed in the front of the school, just in time for Valedictory.

A huge thank you to Mr Jones, Mr Lepinath and Mr Cockburn along with all local businesses for your assistance throughout 2020 to bring us these nice new spaces for all our students, their families and our school friends to enjoy 21st century learning here at Ingham State High School. We appreciate you!

校警

A reminder that anyone wishing to enter the Ingham State High School grounds outside school hours or on school holidays, must first have obtained written permission from the School Administration. Members of the public are urged to ring SCHOOL WATCH (13 17 88) or the local police to report trespassers, who will be prosecuted.

General Office Hours
The General Office will then be closing from 3:30 pm on Friday and will reopen at 8:00 am on MONDAY 20 JANUARY.
Please note the General Office will be closed from 8:45 am until 11:15 am on WEDNESDAY 22 JANUARY for mandatory staff training

I would like to take this opportunity to wish all our families a very Merry Christmas and a safe and Happy New Year.

ACCOUNT PAYMENT OPTIONS
The preferred method of payment to Ingham State High School is B Point. It is as easy as clicking on the hyperlink in the payment box on your invoice and putting in your bank details and the number of weeks you wish to pay and it will automatically process it for you. Alternatively, call the secure 1300 number provided by electronic funds transfer, EFTPOS, cheque, cash or Centrepay. A reminder to parents that when transferring funds electronically into Ingham State High School’s bank account, please use a reference such as student’s name, invoice number or reason for the payment, eg SmithC7594 (invoice #) or SmithSRS (School Resource Scheme). The acknowledgement from your financial institution of the successful electronic transfer of funds should be retained as your record of payment.

ISHS BANK ACCOUNT DETAILS FOR YOUR REFERENCE ARE:
ACCOUNT NAME – Ingham State High School
BSB 064-810
ACCOUNT # 00090026
STUDENTS CELEBRATE 2ND PLACE AT THE ATSIAP STATE FINAL

Congratulations to Year 7 and 8 students, Aaliyiah George, Ebony Desmond, Ja’Koby Assan and Dallas Stanton who were selected amongst the top four entries in the North Queensland region for their ATSIAP (Aboriginal and Torres Strait Islander Aspirations Program) Challenge submission. The Year 7 and 8 students, together with Mrs Chesson and Mrs Carpenter, recently travelled to the State Final in Brisbane where they were awarded Second Place in the Long-Term Business Challenge. Our team of Year 7 and 8 students competed against 14 other large schools consisting of mainly Year 9 students.

Mrs Chesson was very proud of the students and how they have demonstrated kindness to other students and each other. Aaliyiah volunteered to go first in the speech presentation in front of over 80 people. Dallas overcame his shyness to talk through three PowerPoint slides when everyone else had two! Ja’koby has made many friends on the footy field and was integral in the design of the colours on the group visual art painting. Ebony was wonderful in helping the boys with their suits and ties, coaching Aaliyiah with her speech preparation and drawing the design for their painting. The painting design concept came from Aaliyiah and how she connects with the Sacred Fig at Broadwater.

Congratulations students, Mrs Chesson and Mrs Carpenter! You have done Ingham High proud!

SPECIAL PRESENTATION TO ATSIAP STUDENTS

This week, a special presentation was made to the ATSIAP representatives on behalf of Aunty Joan. The presentation was made in recognition of this young team taking out 2nd Place at the State Final last weekend.

Principal, Mrs Fenoglio and Deputy Principal, Mr Barnes were on hand to present the award.

NATIONAL CHAMPION!

Lachlan Buckman, Year 8, travelled to Perth late last week to compete as a member of the Queensland team at the National Track and Field Titles. Lachlan was selected in the State squad for the Javelin throw after winning the event at the Queensland Championships. On Saturday evening, Lachlan threw a staggering 49.55 metres, smashing his previous PB prior to this event which was 46.26 metres. This mammoth effort saw him win the event by nearly 5 metres! Lachlan now has a National Title to add to his long list of sporting accomplishments and Ingham High could not be more proud of him!

Lachlan is pictured at the National Track and Field Titles
Jake Neilsen, who is just completing Year 10, has been signed up as a School-Based Apprentice with Grant Swarbrick Carpentry. Jake had recently undertaken a work experience week with the business and was fortunate to have been offered this opportunity. He will be undertaking Certificate III in Carpentry while completing his senior schooling, getting a head start in a skills-shortage trade.

Year 11 student, Breanna Glindemann, has recently signed on as a School-Based Trainee with Lou’s Food Emporium. Breanna will be undertaking the nationally recognised qualification, Certificate III in Business, while completing her senior schooling.

Congratulations Jake and Breanna and thank to these businesses for supporting our students!

Spirit of Christmas Giving
Carina Chesson, Year 7 Teacher

In true Ingham State High School spirit of community, Year 7 students have kindly donated Christmas gifts, created Christmas decorations and wrote heartfelt Christmas cards to young children in the Ingham district.

The students were very happy to know that they could play a little part in cheering up their young peers who may not have as joyful a Christmas as others in the community.

Mayor Ramon Jayo visited the class on Thursday and explained how his Mayor Christmas Tree Appeal works. The Mayor collected the many gift boxes and ensured the students that he would pass on the boxes to The Hub at the Hinchinbrook Community Support Centre.

The Hub will make sure those children in need receive the joyful gifts of giving from our wonderful students of Ingham State High School.
School Photography Date for 2020 – 20 February
SCHOOL PHOTO ORDER CODE: 8CP 8JF BQR

The School Photography Day will be held on Thursday 20 February 2020. Group and portrait photographs can be purchased by following the link above or by using the envelope which will be provided to students in the new year.

IMPORTANT INFORMATION:

- School photos purchased online DO NOT require envelopes returned to the school.
- Sibling photographs must be ordered either online or by order envelope prior to the day of photography. A photograph will not be taken without an order. Sibling photographs can only be taken of children enrolled at the school. Late fees/additional charges will be applied for purchases after photo day.
- Photos will be returned to the school for distribution approximately six weeks after photos are taken.

Past years’ photographs including sports, co-curricular and representative groups are available by following the link above.

Advancedlife offer a 100% money-back guarantee on their products. If you have any questions, comments or feedback relating to your Advancedlife experience, please contact enquiries@advancedlife.com.au

IMPORTANT INFORMATION FOR PARENTS/CAREGIVERS

Semester 2 Report Cards were distributed to Year 7, 8 and 9 students on Thursday 12 December.

Year 10 and 11 Reports were emailed on Thursday 12 December to the primary email address held by the school.

This year there will be no traditional End of Year “Mailout”. Stationery Lists are available via the School Facebook Page and on the Website https://inghamshs.eq.edu.au/Supportandresources/Formsanddocuments/Pages/Documents.aspx

All Newsagencies and Merv’s Stationery will also have copies.

The General Office will reopen on Monday 20 January for all other enquiries.

DO YOU HAVE LEGO AT HOME WHICH IS NO LONGER NEEDED?
The Ingham High STEAM team are looking for donations of lego to assist with the building of BattleBots. Please drop any donations of lego into the General Office!

INSTRUMENTAL MUSIC PROGRAM:
Ingham High will be offering an extension to its current Instrumental Music Program in 2020 with the introduction of a Brass/Woodwind/Percussion program for interested students. We are currently sourcing second-hand instruments to support the delivery of this program. If you have any instruments in working order which you would be prepared to donate to the school, please drop them into the General Office or contact Mrs Liz Provians (HOD The Arts) on 4797 1333 for more information.
On behalf of the whole Ingham High community, we extend our gratitude to everyone who has assisted with the tuckshop throughout the year. Please know that your contribution has not gone unnoticed!

**NO TUCKSHOP LAST DAY OF SCHOOL – 11 December 2020**

Thank you Volunteers!
INGHAM STATE HIGH SCHOOL

DISRUPTION TO SCHOOL ROUTINE DUE TO FLOODS AND CYCLONES

WHAT TO DO

• LISTEN to Radio Triple M between the hours of 7:00am and 7:30am.
• CHECK the school’s Facebook page (Ingham State High School, Official) for regular updates.

BUS COMPANIES
• Bus companies determine if buses will run and then notify the Principal and Radio Triple M.
• If buses don’t run in the morning, they will not run in the afternoon.
• Parents who bring their children to school because buses were not operating, will be responsible for taking their child home or arranging alternative care.
• Each bus company will have their own specific policy for procedures around floods and cyclones. These will be distributed by each company at the start of every year, or upon a new student joining their bus run.

Please refer to the policy as set out by your bus service provider.

STUDENT DRIVERS
• In the event of flooding in the district, student drivers are to listen for announcements about early bus departures, to determine if their route home is at risk. Students departing early for this reason must report to the General Office before leaving the school grounds.

PLEASE NOTE:
Schools in general will remain open and supervision will be maintained for students who attend school, provided staff numbers allow. School closure will only happen when the Principal deems it necessary and appropriate, after consultation with the Regional Director.

Please refer to closures.det.qld.gov.au for up-to-date school closures.

SAFETY IS FIRST PRIORITY. NO STUDENT SHOULD BE PUT AT RISK TO ATTEND SCHOOL!
