# EXCURSION PROCEDURE

Your student may be asked to participate in excursions throughout the school year. These excursions may be directly related to curriculum or be part of the school's extra-curricular program.

Before any activity you will be notified in writing of the relevant details such as itinerary, venue, transport, cost and special arrangements that might be necessary as well as the dress code for the excursion.

You will be asked to fill in a permission form for each excursion which your child will undertake.

If students are in arrears with their school resource contributions they may be denied the opportunity to participate in non-curriculum based excursions.

Students will also be expected to follow the dress code for the excursion. If not, they may not be permitted to attend.

All permission, medical and information forms and letters sent home will be available on the Ingham SHS Website after distribution to the students.

Please do not hesitate to contact the General Office on (07) 4797 1333 if you have any queries or concerns.
